

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL MEMORANDUM

SB 904 – HB 1185

March 18, 2015

SUMMARY OF ORIGINAL BILL: Authorizes any court to order restitution to be paid to the Tennessee Wildlife Resources Agency (TWRA) by any person convicted of killing or possessing a white-tailed deer, wild turkey, bear, or wild elk; requires restitution payment for each bear or wild elk illegally killed or possessed to meet or exceed \$1,500; and each whitetail deer or turkey illegally killed or possessed to meet or exceed \$1,000. Requires the court to include any associated costs with the reintroduction of wild elk, and additional restitution payments related to the number of points on the white-tailed deer or wild elk, and for when a bear is female. Requires license revocation until restitution is paid in full. Authorizes a farmland owner, lessee, or designee to take an elk found within a no elk zone, if it is believed the elk is causing damage to the owner's property; provided the individual first provides the agency an opportunity to relocate animal.

FISCAL IMPACT OF ORIGINAL BILL:

Increase State Revenue – Exceeds \$4,000/Wildlife Resources Fund

SUMMARY OF AMENDMENT (004309): Deletes and rewrites section of bill applicable to required restitution payments for illegally killing or possessing a bear. Establishes restitution of \$3,500 for illegally killing or possessing any bear, rather than \$3,000 for a female bear. Adds \$3,500 restitution for a bear cub killed or orphaned.

FISCAL IMPACT OF BILL WITH PROPOSED AMENDMENT:

Unchanged from the original fiscal note.

Assumptions for the bill as amended:

- TWRA estimates that 20 restitution cases per district resulting in a total of 160 violations per year.
- Based on information provided by TWRA, restitution will be ordered in 25 percent of the cases equating to 40 (160 x 25%) restitution orders annually.
- Minimum restitution order of \$1,000 pursuant to the provisions of the bill.
- The average collection rate for restitution orders is estimated to be 10 percent.
- All revenue from restitution orders will be deposited to the Wildlife Resources Fund
- The recurring increase in state revenue to the Wildlife Resources Fund is estimated to exceed \$4,000 (40 restitution orders x \$1,000 minimum order x 10% collection rate).
